“ Missing you so much!!! Everyday, this still doesn't seem real. I can't explain the emptiness that I feel inside. I miss all of the wonderful person that you were, and most of all...missing calling you about anything that I needed to talk about. You were truly ONE OF A KIND!! a ONCE IN A LIFETIME kind of person. I Love You, Rest In Spirit

“ I was one of Leticia's best friends, Mr. Tony's daughter. Mr. Tony would always say he liked me because we had the same name. He always included me anything he did for his kids when I was around, he never made me feel like an outsider. Mr. Tony was the coolest dad in the neighborhood and he will truly be missed. Hearing of his death broke my heart so I can only imagine how his children feel. My condolences go out to Leticia, Anthony and Malik and the rest of the Albert family.

“ Our mothers were twins and our families were intertwined... all of my life "Tony" was not just a cousin he was considered as a brother....He had a way of bringing people together and always finding humor in the silliest things....he was such a comedian at times. But one thing for certain is he had a love for family and always did what he could to be there for people in so many ways...He was everybody's confidant....the holder of many secrets and always had a listening ear whenever someone needed to talk... He was an entrepreneur who knew the importance of hard work...The total essence of what a MAN should be in terms of being a provider, a father, a son, a brother, a grandson, and etc.

With that being said; Anthony "Tony" Albert will truly be missed and no words could express the impact that his loss has in our lives... My condolences to my aunt, his children, and any and everyone that was touched by his goodness.

Peace and Blessings,
Michelle

“ Mr. Tony was the perfect example of the phrase "it takes a village" when it comes to family and raising kids. He looked out for my son all his life and I did the same for his son, Malik. Met him over 20 years ago, the nicest, coolest, most generous, giving , caring person that anybody could know. IM praying for the family and all of us friends and community who are devastated by him not being with us any longer. I will always be here for Malik and the family ANYTIME, you need me. Rita a/k/a Ms. Johnson a/k/a/ Eric's mom. This is a loss for us all. I'm praying for the family.
