I Care
Although I cannot physically be there, know that I lift you and your family up in prayer. I pray that the memories of your loved on brings you all comfort and in that comfort you all find peace and remember that being absent from the body your loved one is present with JESUS our king. My prayers are with the entire family and especially to you, Claudette. I know that you and Al have made each other's life full of happiest and joy. It is my prayer that the time you all had together has made you strong enough to make this journey knowing that you will see him again!

"To be absent form the body is to be with the Lord." I know that I am here to assist you in the days which will follow, so please do not hesitate to contact should you have a need!##imported-begin##The Reverend Dr. Danny Conyers##imported-end##
