“ He was the best father a kid could ever have. He was always there. morning, noon, or night. We talked every morning on my way to work. It's so hard in the mornings. I cry all the way to work. You never know how much a person truly means to you until you don't have them anymore. He was truly a light and a blessing sent by GOD. So many people loved him. What else can I say but I will be with you again. So wait for your family and I will take over. Your youngest daughter Tracey Mitchell forever.

“ To the Family:
GOD will take Care of You.

Today I share unexplainable emotions that I must make, the acknowledgement that on Saturday, 24 October 2020 our loving & sharing Warrior; my big brother/ my friend Chappy took his last breath and said Goodbye to the World. His death is something we were not prepared for so soon with his illness - not at all. It all happened so quickly for us - Our LORD JESUS CHRIST called him Home. My Heart is shattered into a million pieces. I will forever cherish the great memories that he left with me. My friend, Rest In HEAVENLY PEACE.
