To the Shackelford family:

I wanted to take this opportunity to express my sincere "Thanks" for sharing Mr. Shackelford with me as my teacher, and advisor. He was instrumental in my development and growth from middle through high school. He was a "task master" that will be missed by many he assisted down through the years. Thank you also entrusting me with the distinct honor of handling his funeral arrangements. May God Bless and keep you during this most difficult time and beyond.##imported-begin##Benjamin H.
