

Ms. Geneva Jenkins

January 24, 1949 - November 18, 2020

In Loving Memory Of:

Geneva Jenkins was born on January 24, 1949, in Tupelo MS. She was seventy-one years of age when she departed this life! Geneva received her education at the Detroit Public School System and graduated from Wilber Wright High School. As a child, Geneva accepted Christ and was united with Cedar Grove Missionary Baptist Church in Detroit, MI., where she began her life of service to Christ.

On December 16, 1984, Geneva became a member of the Redford Free Methodist Church in Detroit, MI., where she was very dedicated to her church family and the community for more than thirty-five years. Geneva was a shepherd in the house of the Lord and showed this by example. She taught Sunday school classes, new membership classes and coordinated church events beautifully. She worked diligently as an official board member, secretary and church treasurer. Geneva was also a teacher and counselor to her fellow church members and to the community. Geneva had a gift of wisdom from God so it was easy for people to confide in her for her honest and wise counsel.

After graduating high school, Geneva worked in business management, which led to her successful journey in entrepreneurship. In August 1985, with one student, at her church, Geneva founded Westbrook Day Care Center in Detroit, MI. Ms. Jenkins (as the kids lovingly referred to her) made Westbrook Day Care Center a fun, loving, compassionate, safe, accepting, caring, kind place to be. Although she never had children of her own, there, she became a mother to many and a grandmother to some. For Twenty-five years, Ms. Jenkins, along with her two sisters were firmly committed to caring for and educating young children in the City of Detroit. These children are now great in number and spread all over the country. Ms. Geneva Jenkins meant so much to so many and her influence will live on through all of us.

At home she was known as Gee. She loved her family dearly, especially her mother, Mary. She loved laughing and talking with them, cooking for family dinners and gatherings, decorating the family home for holidays and making everything come together with her special elegance and class. With consistency and grace, she creatively gave of herself and took pride in each member of her family. On Wednesday, November 18, 2020, Christ our Lord decided it was time to call his daughter Geneva home to rest.

“ I really don't know how to start this, but you were a very special and loving person. You were there for me as a child when I use to go to your preschool and come to your house every morning before school and you use to make me breakfast before we left. You were one of the nicest women I have ever had in my life and you're truly missed....I wish I could've gotten around to see you before you passed I'm 26 now with two beautiful girls and I wish they could've met the woman I've known when I was 4 years old
Rest Well Love You!

“ What a privilege it was to be Geneva’s pastor for several years. Geneva was a special gift to my wife and I as a pastoral team. Her big heart for others and especially for kids led her to establish the day care center and help with many administrative church tasks.

We had many wonderful times of sharing about the LORD JESUS and his plan for our lives. It was great to see how Geneva discovered and overcame some of her reservations about taking leadership initiative and went on to use her God-given gifts of administration and practical wisdom for God’s glory and the building up of the church and God’s earthly family.

Now as a faithful daughter, sister, auntie, day care and church leader, she has heard, “well done” from her Lord and Savior Jesus and has been entrusted with even more responsibility for all eternity.

I look forward to the day when all of God’s believing children are united together with her around God’s throne! When that day arrives she will probably come up to me with her practical understanding and begin to say something like, “Well you know Pastor Rick...”

Thanks be to God for His gift of Geneva to all of us!

In God’s unfolding kingdom,

Pastor Rick & Louise

“ My first interaction and pure joy of meeting G and this entire family of Love was through my sister-n-love Pat. Through the years you all remained as Family. What a blessing to share space in this world with someone who always provided genuine togetherness. May God continue to wrap his loving arms around you for comfort and peace. Continuous blessings to you during this time. Much Love, Thoughts and Prayers.

“ This world had lost a magnificent woman of God. Her last words to me were. "Don't worry about me." I know she is now enveloped in joy in the presence of her Savior So no worries. However, I also know we still feel her absence on this earth profoundly. I am praying for you all as you journey through this difficult time. Liz Mulwee
