### Her Story:

Loren Michelle Benjamin (52) was the eldest child of two born to Linda and Richard Benjamin on May 4, 1966 in Gadsden, Alabama. In 1973, her mother, sister (Melissa) and herself included moved to Detroit. After living in Detroit, Linda met her second husband Eddie Dean, him and Michelle became really close and it soon became a father-daughter bond.

As a young child and throughout the years Michelle was always God fearing and full of faith. She was baptized at age ten at Sweet Home Methodist in Gadsden, Alabama. In adulthood, Michelle moved back to Gadsden, where she obtained her GED. Worked in manufacturing for companies like Tyson Chicken Plant and Etowah Manufacturing. She was a person full of love and support. She was one of the biggest cheerleaders you could ever have. She loved and welcomed everyone. She loved to laugh and have a good time. Although, she made some bad choices she did not let that stop her for being there for her family.

To know Michelle was to know a person full of confidence and color. She loved to wear bright colors, fun hair, be unique, and was never ashamed to march to the beat of her own drum.

On Wednesday, February 27, 2019, Michelle departed this life and returned home.
