“ Sand such a beautiful soul. She taught me somethings and gave me some wisdom that I follow for the rest of my day. She accepted me and my children (Tenise and Pierre) as her own grand children. She will be truly missed and never forgotten. Love lovely beautiful Queen Sand forever.

“ One of my favorite times was when we sat at the kitchen talbe and had coffee every morning, and we met each other in the kitchen when we got home from work. Everyday! My mom was one of the wisest women I knew and I loved her so much. She was kind to those around her and she was always there when you needed her. She held the counsel and I'm truly grateful for having her as my Umi. She's no longer in pain and is walking amongst her loved ones. However, she is looking down upon us today with a smile that says, I did a great job with my children and grandchildren, and that was the best I could do. Rest Above Umi and know you're truly missed!
Love always and forever
To the moon and back
