“ *To My Daddy*

I'm really at a lost for words, I don't have too much to say. Moral of the story, I just really wish you could've stayed. Unfortunately, I also understand that God had other plans. Now you get to be with grandma and hold her hand again. I refuse to say goodbye so I'll just say see later. I'll remember your boisterous voice and hearty laughter to make me feel better. I love you Daddy. You'll forever be in my heart. As long as I have your name, we'll NEVER be apart <3

“ For Daddy,

To my best friend in the world; the person that understands me like no other, I will forever cherish the time I got to just talk with you.

Your kind, gentle, inspiring words will always be in my heart. Your voice will always be in my ear. Your laugh will always be my favorite. I cannot thank you enough for doing your very best at being my dad. Every second of every moment I got to spend with you, physically or not, were the very best memories I will always have. Thank you for always being you. And thank you for always listening, no matter for how long. I know that I made you proud, and you also made me proud to call you Dad. I love you.

Until we speak again, Boogaloot (Chiffon)
