“ To: Doris, Christine and Arnold,

I was so sad to hear of the passing of Aaron, as you know we go back over forty years as the youth of Greater Emmanuel COGIC. We attended musicals, picnics, skating parties and conventions. We even competed in Bible quizzes...knowing he was going to win the prize!

He was a biblical scholar, a historian, a musician and a educator. He was a joy to be around, he brought out the best in you.

He use to travel with my father across the country astonishing men of all faiths, because of his great wisdom God had given him.

Please hold your head up and cherish the wonderful memories you have shared.

You are in my prayers.
