“ I met Aaron at Ohio media school and he was always very kind, sweet, soft spoken, loving man. He was a good friend that always wanted to see me do better in life and I will always cherish every minute that I got to meet and spend time with someone so special.

“ I remember having Aaron in my 5th grade classroom. He was a joy as a student. Extremely beautiful penmanship and very smart! I taught Kiauna, too. The family became my family. Sending love.

A fellow student at the ohio media school. When I felt like giving up, Aaron pushed me through to graduate. I'm forever grateful 🙏
