“ To one of my closet friends.
Usually in life we all have a happy life. Grow old with the love of our lives and enjoy every moment. I love you. You were someone who ment so much to me and made sure i was happy in life. I miss you. I know your resting and watching all over us. We will be sure to take care of your daughter and let her know how amazing you were. But for now we shall see you when we do. And hope to meet again❤️
