“ *We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.*

“ *Gonna miss your presence Baba at all the African History events in the city. May the ancestors guide your journey through the after life. And prayers and condolences to the family.*

“ *I first met Aquil 25 years ago when I attended his African history study group at the Williams recreation center. Under his guidance I participated in ASCAC functions. In the mid 1990s I would drive to Chicago on the weekends to attend African history classes at North Eastern Illinois University. Without the encouragement of such a dedicated brother I would still be struggling to understand my place in the diaspora. Rest In Power.*
