“ My condolences and prayers to the Leland Family. Memories of growing up with all of you in Mississippi were fun special times that have not been forgotten after all these years. It's like we were family. Addie Mae was quiet and yet she had a presence where ever she was. And her smile was so beautiful. Losing a sibling is most difficult.

I pray that our Lord and Savior will strengthen and comfort each of you as you continue on life's journey without Addie.

Love,

“ Keeping your family in our families prayers. I remember Addie, Jackie and Gwen coming over to visit my mom. My mon had cooked dinner for them and afterwards they walked to a nearby park and believe it or not, Addie and Jackie got on swings and I can still hear Addie giggling and saying "Weee" as she swung back and forth. It was something seeing these grown sophisticated women swinging like young kids having the time of their lives.
Rest well in heaven Addie
