“ *Adrain I love u so much words can't express how me and omari feel about our daddy . You are my heart my soul my everything and I can't live without u I wish I could give u my heart so that you could still b here. I'm sorry for any pain I've, caused you but it was tuff love to show u how much I really cared and how afraid I was of tht day to come and I could never hear your voice and have u hold me and tell me all those white lies but it was cool nothing even mattered as long as I had u ppl have problems and go threw things but we can't have tht anymore I'm so stressed I don't knw wht to do losing you was me losing myself*

“ *~Adrian~*

*You were a very special person who touched the hearts of many.
You were so loving, caring and giving not just to myself but to a host
of others. Just know that you will always be in my heart and I will
always love you from the bottom of my heart. May you rest in
peace.*
