“ My condolences to the Hayward family. I don't even know where to start. I'm just so heartbroken. Adrian was my best friend my lover. He was everything to me, not just a boyfriend but he was my heart. We did everything together. I met him in 2023 of January and I just knew like he could heal my broken heart. That was my Virgo. That was my soulmate. My soul tie and I love them so much. He meant the world to me. We went on plenty of trips. We spent plenty of times together. We work the same job. We took road trips. We have funds and giggles and laughed and now my heart is shattered for good cuz he's not here anymore and I don't know why. But I am so sorry and I can't believe this is real and I don't know why he done it to himself. But I am so so sorry. I wish wish. I wish I was over there. I wish I could have saved him I will love him for infinity ☹️
