“ I am so saddened to find out via the internet that my friend my sister from another Mother had passed. Adrienne and I grew up together from grade school to high school. Her Mother was just like my Mother. We use to dress alike when we were younger because her Mother made all of our outfits. I had been calling Adrienne for over a year and the phone kept saying no longer in service and I thought she had gotten her number changed. Finally my granddaughter said Nana have you tried to google her and of course I hadn't. Wow, lo and behold that's how I found out she had passed. I am so glad that the last time we spoke we let each other know we loved one another. She let me know that it was because of my family she came to know the Lord. We laughed and enjoyed a great conversation. I sung at her Mothers funeral in Detroit and rode back to Lansing to the Cemetery. I will miss my friend. We didn't talk but every 3-4 months but being as close as we were we would pick right back up where we left off. Rest in Heaven my friend.

“ My prayers and condolences are extended to you Maya. I am so thankful that I had the chance to visit with Adrienne before the new year and have a video call with Alfaye. I talk with Adrienne often and she would share beautiful stories of your travels and career. As Alfaye Woods stated, we worked for M.R.S. as counselors and developed a wonderful friendship. I will truly miss our conversations and friendship.

“ My heartfelt condolences to Maya and Sandra. Adrienne was kind, caring and loving. She was like a sister and we shared a great friendship and working relationship. Michigan Rehabilitation Services, Wayne Office. Maya, your Mom lit up when she talked about you. I spoke with her over the holidays via video call. Another good friend, Cathy Hardaway was visiting with her and called me. I was so happy to see and talk with her. Sandra thank you for being a lifeline for Adrienne. She spoke of you oftentimes and she appreciated all that you did. I feel that I've known you for years because of her. She cherished those MSU days. I will miss my friend. We were waiting for the weather to get better to visit. Be in the presence, take time while you have time. Maya, your mother was a beautiful person with a beautiful heart. There's a song that may bring you comfort, "I go to the Rock".
Great memories my friend.
