“ *To my Family,  
Many years had passed between visits but when I saw my cousins face again it was like time had no longer had meaning. It was like we were kicking it together just yesterday. Adrienne's laugh and welcoming smile filled the room with a joyful light and easy going spirit. She will always be in my heart and I will remember her spirit until we meet again. I'm sure she'll be waiting with her high heels on with open arms. You are loved Adrienne.*

“ *I remember the fun times I had with my cousin Adrienne. I cared for her and Sonja over many weekends. So many fond memories. Growing up with family and cousins being your best friends was the way it was. We spent much time together. I will miss you Adrienne, you have your wings now so rest in Heaven with your other family. Much ❤️*

“ *Carla and Dawn Lett offer our deepest love and upliftment to our Detroit family. In 2019 we had the opportunity to spend a wonderful few days in the company of cousin Adrienne. She made a lasting impression as a vibrant, fun loving, kindhearted person who was someone you could "hang" with. Although we live in California, Facebook and phone calls helped to build a lasting connection across the miles with cousin Adrienne. She was as eager as we were to continue to bond and get to know more about each other and not let distance keep us from it.*

*Life takes so many unexpected turns and losing Adrienne is heartbreaking. We thought we had more time to "love on her." God has a plan for everyone's life...but it still hurts when God's plan seemingly ruins our plans! We love you Detroit family and are praying for each of your lives. Adrienne's memory is a blessing.*

*Peace and God's comfort,*

“ *To the Spratt and Wafer Families, May God be the strength and comfort that your family needs right now. The sorrow of the faithful is not that of permanent loss, but the tender sense of sadness that comes in saying good-bye for now to someone we love. May today's sorrow give way to the peace and comfort of God's love. There is comfort in friendship, hope in prayer and peace in love. Sharing in your sorrow with love and friendship. Adrienne, I know that words cannot describe the loss your family is feeling and the hole that is left behind. I am really going to miss you my friend, I feel blessed to have known you fifty plus years.*
