“ My name is michael tansil and My condolences go out to the entire Wright family, growing up on woodingham nikita was one of my oldest and closest friends. I can remember like it was yesterday spending the night over at nikitas house as a kid and waking up to the smell of bacon. Ms. Wright in the kitchen early before we woke up, and yelling for us to come eat while it's hot. Times were different back then our block was like a extended family and we all loved and looked out for one another. I will always have love and great memories in my heart for a very sweet lady. But I'm sure she is watching over all of us as she always did.
