Oh what a blessing you have been to me, my children and every one who you came in contact with. I have admired your strength, been inspired by your love, gained knowledge from your wisdom, and grateful to have been touched by your presence. You have been a mother and a friend to me. I shall cherish every moment that I was graced with your presence and will carry your memory in my hear forever. Auntie I miss you and I love you... Forever in my heart.

“ *My Dearest Auntie, my second mom. I remember the day you and the family moved on my street. I was 15, I am now 60. You were heaven sent. As soon as I got home from school I would be at your place in no time. There was so much love there. When you moved away I cried. But in no time, I was at your new home. You touched so many lives and you are loved by so many. I'm crying now....The Good Lord has called you home. There are so many memories, all so beautiful, just like you. Playing baseball (no one could hit that ball like you), playing spades, water fights, learning to do the Horse and so much more. I can see you now doing the camel walk. I love you Auntie, my heart hurts, but I know I will see you again. I will be talking to you and I know you will hear me. Thank you Father God for taking her peacefully.....Rejoice, Relax in Paradise Auntie. Loving you Forever..Always, Prim.*

“ *Mom,
When I fell in love with your son, I had no idea I would also fall in love with you. You welcomed me as a daughter with open arms, and open heart. I will never forget all that you shared with me and what you meant to me. I am going to miss the breakfast dates you and I always had when I came home. I thank God for having the chance to have you as my mom. I love you, but know God loved you best. Save a place for me in heaven.*

“ Auntie,

Truly a role model and positive force in my life. When I speak of you to others I feel sad because not every neighborhood has a "Auntie". I use many of the lessons you taught without knowing. Your are missed and the heavens is a better place because of you. Thank you for all you were to me.

Family....."EARTH HATH NO SORROW HEAVEN CANNOT HEAL...."

Be encouraged and you all are in my prayers.
