“ *Dear Mr. Albert Harris Family,*

*In my many years of ministering I've notice no matter what faith we belong to death is an enemy to us all and is unnatural. We try to figure how to move forward and cope. No doubt we can always turn to the bible for comfort as Matthew 11:28 where Jesus says "Come to me all you who are toiling down and I will refresh you".*

*Gods word also give hope to us seeing our love one again hear on earth according to John 11:23-44 as Mary & Martha welcome back their brother Lazarus. A beautiful promise that we are offered from our Creator.*

“ To my daddy. I can't believe that you are gone! Life as I knew it has completely changed! I'm still waiting to hear you say, "hey ebby mae" or say "call your momma when you make it home". But...I don't hear it and this pain is unbearable. Everywhere I look, I see You and feel you. What are we suppose to do now daddy? I can hear you say, well we have to have a plan of strategy and there's no doubt in my military mind that you can do it. I will try my best daddy. We are heartbroken so it will be next to impossible to push forward but we'll try.

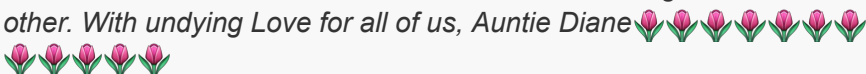

*I love you forever my wanna be mean but loveable teddy bear. I will see you again daddy. Toria, Tj and Trevell told me to tell you, hey and they LOVE YOU grand daddy Albert.*

*I love you daddy  
Ebonye (Ebby Mae)*

*Ebonye, I can relate to your pain. Our entire family has lost a powerful component to our structure! Together we can continue to build, just as I think he would want us to do. We are all here together. We will come out of this dusk and enter the Dawn. All of our hearts go out to each other. With undying Love for all of us, Auntie Diane*
