“ *I have known Albert since 13 years old all my preteen years to we graduated from high school. His sister Allene and I were best friends lost contact after high school I don't know how we allowed that to happen our families were so close sleep overs all the time, family vacations ate dinner at each others house both of our momma's beat our butts when we got out if line If anyone could reunite me with the family I would be so grateful. Our families were like blood sisters and brothers through thick and thin this hit me like a ton of bricks it is like my little brother passed away and I found out after the funeral no contact info to call home my number is 850-454-6125*

May he rest in Peace! May his family hold fast to his dreams and his memory. I do remember Albert on the basketball court, he was awesome. And I send special condolences to Allene and her family.

“ I attended St. Dominic Catholic School with Albert, Ailene, and Margaret since fourth grade (he was in third), and then at St. Martin de Porres High School where Albert was a wizard on the basketball court. Although we were a year apart I have fond memories of him and his two sisters. I haven't seen him since high school, but I'll always treasure the childhood memories we had.

“ *My friend, soul mate, love of my life, I have known you since we were in the 9th grade. I will always love you. I miss you so much. I can't believe you are gone so early. I thank God we had the last two years to spend together. They have been two of the happiest years of my life. Rest in peace. I will see you again.*
