“ *Baby Al,  
I want you to know that you were dear to my heart as all my nieces and nephews are. I chose not to have children of my own, so all my nieces and nephews became my children in my heart. Not a day will go by when I don't think of seeing you again in Jehovah's Kingdom under the rulership of his Son. Jehovah's promises will not fail, and He has promised us everlasting life, and only He knows what you suffered in this life. No one can condemn you, for now you are sleeping in Jehovah's memory. So sleep peacefully until the resurrection, when we will see you and Daddy again.*

*I loved you, I loved you, I loved you,

“ *Never in a million years would I have believed that goodbye would be something I had to say to you .... My heart is crushed ,but I know that Jehovah has u in his arms until he makes u new . This world can no longer harm u , its imperfections and hurtful contents ,illness,it is all over and in that my heart feels relief for you to be free from suffering but great pain because I will miss u forever and I feel it was to soon. I can not question God whom allowed this because he must have for a reason beyond my own understanding so I must stand in faith . We must all live and be strong in faith that this life is not the end. I love you Aunti ,my sweet cousins ..more like siblings than cousins so my pain is as deep as yours you are not alone, we will be here with you strong as a family so one does not bear so much pressure to break ..together we stand divided we fall . Al we had so much fun these past few months .. We hugged and laughed and said I love u often and I thank God for it ..but I just didn't think it would be our last ..tears*

“ *Baby Al...*

*I will remember you most by the hug you gave me the last time I saw you. Now you are resting, peaceful, in Jehovah's memory. It is up to us, now, to live our lives in a way that pleases Jehovah so we may be there to welcome you to Paradise when you are resurrected right here on Earth--Jehovah's perfect gift to his human creation. It will be such a joyous time when, along with Grampa, we see you again, healthy and happy!*

“ *There is no sorrow that Heaven can't heal. Today my heart is heavy my Ali cat is gone. My sweet baby Al Rivers left to soon. His hugs were the best. No matter how old he got he was always my baby. I loved how he would turn his head to the side and try not to smile when I told him He was still my baby and I would whip his butt . He was and is unforgettable. I love you Ali cat always and forever thank you for sharing your life the good and the bad times with me and fighting a good fight. Your pain is over and mine shall pass with time....I love you always and beyond the moon. TT*
