

## Mr. Albert Wilson

October 11, 1951 - January 2, 2018

Celebrating The Life Of Albert James Wilson:

Albert James Wilson was born on October 11, 1951 in Brent, Alabama to the union of Charles and Clara Wilson. Al also was affectionately known as Peterman to his family. He graduated from Murray Wright High School in Detroit.

Al worked for General Motors and American Axle which was a job he truly enjoyed until he retired after 34 years. Al spent his retirement doing the things he loved which were traveling, working in his yard, gardening; but one of his favorite pastimes was bowling.

In March of 1992 Al met the love of his life a woman who would later become his wife, Dorothy. The soul mates were together for 25 years where they remained in love and by each other's side until heaven opened its gates for Al to come home on January 2, 2018.

Although he was a private person when it came to his personal life Al was well loved by family, his many friends and by people he knew in his life.
