Life and Legacy of Mrs. Aldremia (Pat) Cockrell.

Mrs. Aldremia “Pat” Cockrell was born to the union of the late Willie Leroy Richardson Sr. and Ruthie Mae (Brown) Richardson on March 31, 1948 in New Orleans, Louisiana.

She made her transition on March 19, 2013 at Henry Ford Hospital in Detroit, Michigan. Pat accepted Jesus Christ at a very early age and was baptized at the Greater Starlight Baptist Church in Covington, Louisiana, where she worked as a member of the Youth Choir until her family relocated to Milwaukee, Wisconsin where she attended North Division High School. After graduating from high school in 1966, Pat joined the staff at Wisconsin Bell Telephone Company, where she was a telephone operator until relocating to Detroit where she worked at Michigan Bell as a second line manager until she retired. After retiring from Michigan Bell, Pat was owner and operator of Cockrell Printing and Business Services. Pat helped to establish and operate All-tracker Security Services for many years.

Pat loved her family and always put them first, she gave so much of herself to her children and grandchildren. She was a mother to so many and she loved her church family, she was a faithful member until her health failed. She worked very diligently with the food and clothing ministry at her church. Pat also enjoyed cooking huge meals and having all the family there with her to fellowship with one another every holiday.

“ *Grandma, I miss you so much. If only I could tell you what's on my mind these days. Some days are really difficult for me to get through, even as I remember your laugh, because I can't help but feel regretful for not talking to you more when you were here. However, I cannot diminish the fact that I was able to be blessed with such an outstanding grandmother, role model, and peace keeper all in one. I'm turning twenty years old this year, grandma! It's all moving too fast for me. I miss you. I love you.*
