“ *To the Family of Alexis Woods,*

May God comfort you during the loss of your lovely family member. Alexis visited me in Ohio and we planted flowers in my back yard and what a wonderful time we had. I shall never forget her kindness and the fun we had. God will take care of all of you. Lets remember all of the good things she did in her short life span.

everytime I saw you I hugged you. even before I knew your name. And I told you often just how lovely you were, how you walked with confidence, self-assurance and aplomb. I will miss you forever and offer to your family my deepest sympathy..
