“ It’s with heavy hearts we send our deepest condolences to Chavon and her family. Mrs Downs was like a second mother to me. She was kind, funny, intelligent, and loving. She showed her love to me when I met her years ago when I was with Chavon. I will truly miss her. I regret that we never had our girls trip with the four of us. That would have been so special. I know you are with our Heavenly Father now. Rest well until we all see each other again
