“ My dad was a quiet and devoted family man that loved his family tremendously and would help anyone in need.

He was married to my mom for 64 1/2 years and they would often deliver Happy Meals to the homeless on the streets of Detroit on their wedding anniversary.

He was a very intelligent man with an amazing memory who loved watching trivia game shows, classic films, and listening to a variety of music genres.

My dad was my Knight in Shining Armor and my hero. My heart now has a hole that will never be filled. Until we meet again in Heaven Daddy, I love you forever, I'll like you for always, as long as I'm living my Daddy you'll be. Love, Your Princess 💔
