“ *Joyce, when I think of Freda I think of laughter as that's what we spent a lot of time doing (even when we were at work). Talking about our daughters brought us even closer together, she was so proud of you and Kent. I will miss her always although I'm glad she's no longer suffering.*

Love and God Bless,

“ *I remember the first day I met Alfreda. She was working in the Purchasing Department and I needed to meet with her to learn about the Executive Car Program. Once I returned to my office I emailed Alfreda and thanked her for sharing the information I needed and I told her it was nice meeting her. That was the beginning of a long friendship. We shared a lot of stories and many times we laughed until our sides hurt. I have many wonderful memories. I will miss my beautiful friend, Alfreda.*
