“ *Shared times, shared memories, shared joys—these special things keep a loved one close. Wishing the family strength for today and comfort in the days ahead, knowing how much your loved one means to so many. Although we moved to Georgia in 1986, the Freeman family was our neighbor for over 16 years. We will miss our phone calls, visits to see the family and cards on our birthdays. Rayshel and Audrey our prayers are always with you. Rest in peace Alice Audrey Freeman.*
