“ *Cousin you were source of information into our family. You were the glue. All that you ever wanted us to keep everyone in communication. I don't know what to do without you. I will miss you for the rest of my days. I appreciate the time that I had getting to know you and I will miss our conversations. You rest now. We will talk again one day but not too soon. Love and miss you. I pray that our family will continue what Alice wanted and keep in contact. Let's not drop the ball.*

“ Alice it's so hard to say goodbye, but God never makes mistakes. I remember you growing up with those big eyes and shy smiles. When Tyonna passed you were there giving your Love & support for that I am truly grateful. I will be there for your kids if and when they need me. Rest well Little Sis. You will be missed & forever in our Hearts. Love You so very much. RIP

“ For those of us that Alice left behind, her children, family and friends. I would like comfort with this poem.

*Don't cry for me.  
I will be okay.  
Heaven is my home now  
and this is where I'll stay.*

*Don't cry for me.  
I'm where I belong.  
I want you to be happy  
and try to stay strong.*

*Don't cry for me.  
it was just my time,  
but I will see you someday  
on the other side.*

*Don't cry for me.  
I'm not alone.  
The angels are with me  
to welcome me home*

*Don't cry for me,  
for I have no fear.  
All my pain is gone,  
and Jesus took my tears.*

*Don't cry for me.  
This is not the end  
I'll be waiting here for you  
when we meet again.*

“ When I think about your big beautiful eyes, warm smile and giving nature, it brings back so many warm memories of the young girl I grew up with in Indiana. I sit here and reminisce about all of the fun times and adventures we had together on Eddy street. Growing up, you were always so glamorous and knowledgeable about fashion. I remember wishing that I could be more like you. We recently started to share our love for the tv channel Britbox, we each gave each other advice of what shows to watch. I am going to miss those conversations.

*It was so good seeing you in January and the fun time we had together with Veronica and Amaryllis as sisters gossiping and catching up on old times. It's so hard to believe that you are gone Alice, it hurts so bad. I know that you are now with Mom & Dad looking done on your children, grandchildren and siblings and watching out for us.*

*I'll see you again one day my beloved sister Alice Elizabeth.*

*Meloneze*
