“ *This is her first born grandchild Butch and the fondest memory of my grandmother I have is when I was little she would not under any circumstances let me walk to blue jay market on the corner of Fort street and Gleason I would always have to go to Sweet Sixteen and all my friends would be in there playing video games and if I was taken to long she would come and get me out of there I think that is why I'm so protective of the ones I love I never had any kids but my cousins were the equivalent I miss you dearly Love Butch*
