“ G.M. Rimson was instrumental in my early Martial Arts career! I was 15 and training Judo at the Dexter Elmhurst center for n Detroit, Michigan.
Once I began my Kung Fu training he offered for me to Conduct classes at his school on Davison and Six Mile from 91 -92. He really wanted me to develop as an Instructor and I began teaching as the Senior Instructor of those same years at his school. If it was Mr.Rimson that Introduced me to Senior Grandmaster George Calhoun of the Mid American WuShu Family and was adopted into the Kung Fu family by the Grandmaster in 1993. I owe him tons of thanks and honor (I wish I could be there tomorrow!).
We we're going to meet at the next Martial Arts event this summer...
You will be missed sir!

“ Master Allen was the only Black Belt I've ever known, but he was humble and hilarious, and always good with me whenever I saw him, he was my people!
