“ *Mrs Lomie, was a wonderful friend and neighbor. My mom had a extended hospital stay not long ago. I recall Mrs. Lomie calling me to let me know the lighting was different at my moms house. She also called to tell me the car was no longer in the driveway (my sister has literally been gone for mins).*

*She made some of the best chicken and dressing. I will miss the plate exchange run between her and my mother. I will miss hearing her voice. I will miss seeing her smile.*

*To Brandon, Boo, Moe, Willie and Ronnie, thank you all for sharing your mother with my family. We love you all and are here for you. Praying for you all!*
