“ *To the family of Andre Williams, my heart and prayers go out to all of you. Andre was more than a friend he was a brother to me. He was kind, cool and had the biggest laugh I have ever heard. We worked together, laughed and shared some wonderful memories. Everyone eventually dies, but not everyone truly lives. Andre truly lived. There's a simple truth about the measure of a man. People will forget what you have said, some will not even remember what you did.....but people will never forget the way you made the feel. I love you and miss you Dre, rest in peace.*

“ Dear Sonja, I am so sorry for your loss. I worked with Andre for over 20 years. He was one of the most kind, generous, and positive people I have had the honor to know. I worked with him daily for the last year. He was always helpful, if you needed anything, Andre was there to help. Every Friday Andre would stop by a local bakery and bring in a bakers' dozen of doughnuts to share with his coworkers. He refused my numerous offers to help pay for the doughnuts. He was always the first one to respond to incidents, he never wanted anyone to get hurt. He was an integral part of our S2 family. He talked of you and your grandkids often. We will miss him terribly. My thoughts and prayers are with you and your family. Jill Culik

“ *Andre was a wonderful friend. As a nurse, I was happy when we worked together; nobody was going to be a problem, but he also had a softer side that was always kind, and respectful. He had many trials at CFP, but he never loss his joy or his integrity. Andre loved his family, often talked about his daughters, grandchildren. One memory he shared was of his mother making him go to church with her on mothers day. He spoke about an aunt being more like a sister, and the Love of his life his wife. RIP my brother .

“ Dear Williams Family,
I did not personally know Andre very well, but was always glad to see him. His spirit and aura was always uplifting and positive. He had a way of making one feel glad to be in his presence. He was truly one of the "good guys".
One night he worked overtime on my unit and I was making sub sandwiches for South side staff. I asked if he wanted one and he said only if it didn't have pork so I made him a special sandwich w/out ham. Later, several co-workers told me how he bragged that I "hooked" his sandwich up and how much he enjoyed it. Such a small thing, but I was happier with his compliment than any other. I am grateful that God sent one of his angels for a time to brighten this world. He will be sorely missed. I have him and all his family in my prayers and offer my sincere condolences. Bless you all!

“ Dear Williams family, I am very sorry to hear about your loss of Andre. I hope that the memories that you had with her will bring you comfort. When I lost my grandmother, I found the words at Isaiah 25: 8 to be very comforting. It says that God will wipe the tears from my eyes and death will be no more. I offer you my sincere condolences for your loss.

“ Mrs. Williams,

I am so sorry for the loss of your husband. Andre was such a loving and funny man. He made the p.m. shift on East 1 a safer place and I truly missed him when he was transferred. He used to buy his yearly "Church Lady" and black history calendars from me and humorously informed me of his displeasure that I did not have them for him this year. His giant presence will be missed each Friday outside my office as he covered the patient recovery group.

In our line of work we usually measure someone's character by how they respond when we are in danger. One of the highest praise we can give someone is to say that that guy always had your back.
