“ My big brother Andre, oh how I am going to miss you. I have known you all the days of my life, and you have always been my protector. You always called me "Bee bee", I guess you said it was because I had such a big head - hopefully for lots of knowledge!! I am so happy Steven and I were able to be there for you at various times of need, and I am so happy we got to spend the time we spent together in your last days. I tried so hard to keep you here, but God wanted you more.

I will always love you and cherish the memories of you. You were an awesome historian, comedian and awesome conversationalist. My husband just adored you and your sense of humor and style. We will miss your presence in our lives, our home and with our drives we took to come and pick you and LouElla up and take you guys home.

Well, I guess you will be with your heavenly family, and I know you will be happy to see Mom, your son Andre, Jr., and the rest of our family in heaven. I have no doubt that you are with God and our heavenly family now.

I will always love you and cherish our memories, you keep me laughing and crying at the same time. As many times as I was so furious with you, at the same time, I still loved you deep within my heart.

Until I see you again, rest in heaven, and please give mom a big hug for me and let her know how much i miss her. Hugs to all of the rest of our family, enjoy your welcoming party and I will see you on the other side my sweet brother.

Love your baby sister, Shelia Faye
