“ *To the Koger Family; May you sense the Lord's loving presence today...Keeping you close to his heart, assuring you of his tender care, and covering you with His grace. The separation is more than temporary, you may feel as if it is the hardest thing to do. but this I know: God is always with us. your love ones and you will never go through anything without the love and comfort of our creator. The spirit if God is a vital connection between your love one and you.*
