My sincere condolences to his mom, children, and extended family/friends. Andrew and I met about 17 years ago. Even when I moved from Michigan, we kept in communication and picked up like we never missed a beat. He's love for other's and eagerness to help. He was a TRUE FRIEND! You will truly be missed Andrew. It's been a year since we talked but knowing you are now at peace and have gained your wings is comforting.
