

## Mr. Andrew Lee White

September 29, 1925 - May 11, 2013

### Andy's Life Journey:

Andrew White affectionately known as "ANDY" was born September 29, 1925 to Mose and Martha White in Birmingham, Alabama. He was the fourth of seven siblings, all who preceded him in death. He accepted Christ at an early age.

Andrew was educated in the Birmingham School District. After graduation, he joined the United States Air Force in 1943. He served his country for three years. In 1946, he was honorably discharged. After his services in the Air Force, he returned home and began a 45 year career with General Motors, retiring in 1993. His favorite quote about what he was going to do after retirement was, he was "going into the landscaping business with his brother." His brother was "going to plant the trees," and he was "going to SIT under them." One of his favorite pastimes was out on the boat fishing with his son Michael and wife Lula.

"ANDY" was a no nonsense kind of guy who demanded attention and respect wherever he went. It didn't matter what your story was about, you had to listen to what UNCLE ANDY had to say. He was a devoted "Chicago Cubs" baseball fan, who tried to watch every game on television.
