“ *Sending sincere condolences to the Family of Angie Linder. We grew up on the same street, Lamothe (at 12th). I lived on the corner & Angie lived about 6 or 7 houses down from me. I hadn't seen her since high school, but I have only fond memories of her. May God grant her eternal rest.*

“ My condolences to the Linder family in this most difficult time. I remember Ms. Linder as my girl scout leader when I attended Emerson Elem/Middle school. She was the coolest lady that I had the privilege to know. Her mild spirit, but yet you knew when she was about business. I spent many of days at her home when it wasn't girl scouts as her daughter(Tiffany) and I were good friends. I pray the family will get stronger as the days come as I know it will take time, but reflect on the many memories that you had with her. For I know Ms. Linder is smiling down and rejoicing in Heaven for there is no more sickness,pain,suffering,medication or sleepless nights. Family prepare and get your life in order today if you want to see Ms. Linder again, because she don't want to come back here, she wants you to come where she is where there is happiness and peace all the time. I love you all and Tiffany again I am only a phone call, email or facebook post away if you need anything.

Your child hood friend,

Tamara (Tam)
