

Mrs. Angela Mary Wincher

October 9, 1959 - May 21, 2015

In Loving Memory Of Angela Mary Wincher:

Angela Mary Wincher was born October 9, 1959 to proud parents, Paul Payne, Jr. and Margaret Lee Payne.

She spent her early years living in Canada attending the Marlborough Grade School of Windsor Ontario. She attended high school at St. Alphonsus Catholic School where she excelled in her studies graduating with top honors in 1977. There she met lifelong friends, Brenda Craig and Wendy Jones. Angela continued her education at Michigan State University. She also attended the University of Detroit where she received her Bachelor of Science and Physicians Assistant Certifications.

Soon after graduation, she was employed by the United States Veterans Hospital, where she spent her entire professional career of more than 25 years.

She was an avid reader and she enjoyed traveling the world. In her travels, she has been all over Europe, Australia, Africa, and Asia.

In 1980, Angela was united in holy matrimony to the love of her life, Jan Allen Wincher. To this union two children were born, Aja Richardson and Ian Wincher. After four loving years of marriage, the union was broken by the

death of Jan.

Her love for her parents and family was proven by honoring them with complete love and devotion. Angela adored her children and raised them as a single parent. She instilled them with loving values and morals necessary for life's journey. She was their rock. She had three grandchildren and made it a priority to spend time with them as often as possible.

On Thursday morning, May 21, 2015, Angela left this earth and transitioned into eternal glory.

“ *Angela, Still so hard to believe I will not see you in the morning. I miss you. You were the best thing about me being mandated. I will miss sharing family stories and pictures of your grandchildren. Your love for family is immeasurable. And you showed love in the care you provided for our veterans and they loved you also. Your family will forever be in my thoughts and prayers for this difficult road ahead.*

Peace be still..

“ *I too was a life long friend of Angelas. We met in 1983 and raised our children together, every significant life event was shared. We talked in some manner every night. I am shattered by the loss of my amazing best friend, who was more than a sister.*

“ I worked with Angela when she came to the VA as a PA student until 2011 when I retired. She was an exceptional PA, and she took great care of our veterans. She was one of the nicest people that I have ever known. We shared a lot of talks and a lot of laughs. I know that she will be missed by many. My thoughts go out to her children, her grandchildren, and other family members and friends. RIP Angela.

“ Sending prayers and condolences to the family of Angela Wincher. As a public servant and a physician assistant in the mental health dept. @ the John D Dingell VAMC, Angela served our veterans w/ excellence to ensure that their medical needs were taken care of. I remember her in her "white lab coat, w/ her stethoscope wrapped around her neck, walking down the halls of B2N, looking for veterans to perform physical exams, or sitting at the nurses station reviewing labs daily." RIH Angela, from Ms. Cass
