“ *We would like to extend our condolences to the family. I met Angela back in 1996 or so when I lived in MI through Racquel and we have remained friends since. Great memories of fun times in Michigan. We had a great trip to Chicago when I moved there and eventually we both ended up in Atlanta where we were able to reconnect. Angela and I always shared many laughs. I am so glad I did get to connect with her again when she moved to Texas. She will be missed and I am praying for her family and all loved ones.*

“ *My sincere condolences and prayers to The Woods family. Angela and The Woods family have been a part of our lives for over 30 years. Angie was a dear and one of my best friends. We shared so many memories and so much love and laughter. She was one of a kind!!! She will be truly missed, her style, her character, her laughter and her smile, most of all.*
