“ To the family of Evon one of the best neighbors we could have ever asked for. Our memories of those days still make us smile when we look back. We had many laughs at the 4th. of July block parties that just happened to be in front of our houses, maybe not by accident. LOL We remember Evon standing there shaking her head and laughing saying... I'll leave out what she used to say but it was funny!! She loved all the kids and the kids loved her and so did we. These times are very hard but we all must remember the the good times and how much love she had for her kids and grandchildren. She will be missed but now she is with the one that made everything happen. Both will be and are deeply missed. Marcus, PJ and Veronica please know your mom and dad along with you guys are in our thoughts and prayers.

May God bless you all,

John and Dori

“ *We've been family for years. We have seen each other children grow from babies to adults and now parents themselves. We've shared love and loss overtime. We didn't speak often, but when we saw or talked to one another it was like no time loss. Saying goodbye is too soon. We should have had more dinners, more trips together, more laughs as a family and more memories made. The memories we do have we will hold dear to our hearts and we will never forget you. We know you are with the one who loved you best. Rest in God's loving arms. To Marcus, Veronica, PJ and the rest of the family, we pray God's peace, comfort, grace, and understanding. Tears will fall but, remember she loved to see you smile. And someday you will smile when you think of the special love you each shared with her and her wick sense of humor. Know that we love you and you are in our prayers....Uncle Junior and Aunty*

“ My heart goes out the the Johnson family during this hard time. Angelene was a wonderful mother, wife, Grandma, sister, cousin, and auntie who spoke her mind with no filters. I will miss her telling me to “Go Home” or “What You Want” every time I see her. But most important I will miss her famous taco salad and her laughter. Rest In Paradise, and give Percy a hug for me.
