“ You were one of my childhood friends. We sang in the choir together, and I'll always cherish those memories. We recently reconnected, and I was honored to have you as one of my health coaching clients as you worked toward your goals and looked forward to showing off your new body on social media. I'm so sorry you didn't get the chance to do that here, but now you get to shine in heaven.

Rest in Heaven, sweet lady. My heartfelt condolences to all of Margie's family and friends.

“ Thank you Anita for convincing me to go to Mexico with you and your family. We enjoyed the spa, the wild boat ride, shopping on the island, sliding down that scary slide (I cant swim and you told the man to push me down the slide because I was too scared to go) and swimming with the dolphins. We had a blast! We recently talked and laughed about our fun in Mexico.I will miss that laugh and our video calls. I miss you.
