“ *My deepest condolences to family and Brother of Jolly. I have known Ann since 2002, when we both started working at HFHS/PHS. I was very fond of her! She was always encouraging and supporting others; baby showers, bridal showers, anniversaries, etc., you could always count on Ann to be there for you! She was a very wonderful person who will truly be missed!*

“ I am so sorry for her family's loss. She was so proud of all of you. She was always willing to boast whenever I pointed out one of the MANY pictures in her office. Praying for you all.
It breaks my heart not to be able to stop by and tell her family how special I know she was. I worked with Ann for many years. She was such a beautiful person. When she wasn't working exceptionally hard, she was reading her bible. When she announced her retirement, I knew how much I would miss her but was so happy for her. Heaven has received one of the best.
