“ *Kushawney, I am so sorry to hear about the passing of your Mom, Annette. I have been trying to reach you by telephone, to no avail. I have no address for you. I hope that you can find comfort in the good and positive times shared between you, your Mom and all of the friends and extended family members whose lives were enriched by your collective presence in our lives. I will always remember 'Nette's smile, and laughter, her spirited nature and her love for you and your Dad. I have fond memories of the parties, the concerts, the picnics and gatherings we attended way back in the day before life became complicated and crazy. Your Mom, Marva Jean and Calista were 'thick as thieves', and always had something going on at one house or the other. It's hard to believe that the once entwined trio has now become one. Your Mom was a beautiful 'Sista' who always looked out for me as well as others, and I appreciated her efforts. She will be missed by all who loved her. RIP, Annette.*
