“ *With peace in our hearts we will remember Tony Clay for a lifetime. It's not often you get to have a friend from high school that always kept in touch and was a friend to share good times, children's births, and family joys. He is missed but never forgotten.*

“ *Dear Clay family, I am so sorry for your loss. I would just like to leave you with a brief encouraging message from the bible found at 1 corinthians 15 : 26 where it says, " And the last enemy death is to be brought to nothing. " May God's word bring you comfort in this difficult time.*

“ *My Favorite Uncle, My Best Friend*  
I'm so hurt right now you meant the world to me. Our bond was so strong I could talk to you about any and everything. We talked everyday three and four times a day. You were never too busy for me, always there when I needed you. You made me laugh you made me be strong you made me part of what I am today. I don't know what my days will be like without your advice, without your sense of humor, your boldness, your whimsical personality. You were truly one of a kind, there will never be another that can replace you. I'm so grateful that I had the honor of being your niece, you will never ever be forgotten. I Love You So Much Uncle!!!!
