

Mr. Anthony Jerome Frazier

March 31, 1962 - November 3, 2020

In Loving Memory Of:

Anthony Jerome Frazier was born on March 31, 1962 in Detroit, Michigan to A.J. and Hazel Mae Frazier. He received his education through the Detroit Public Schools and was a proud graduate of Cooley High School. Anthony was joined in matrimony with Lanease Stewart on September 19, 1991. He was employed with the United States Postal Service as a mail carrier. After 31 years of being dedicated to carrying the mail through rain, sleet, and snow, he retired. His love for the Lord, family, friends and enjoying life defined his character.

Anthony was a true sports fanatic. At an early age he played basketball, football, baseball and tennis throughout school. He was an avid fisherman and bowler too. Every year him and his friends would go up north to Tippy Dam for an annual fishing trip. He also established an annual picnic for men only that encouraged black males to bond and connect. Cooking was one of his many talents. He earned the title, "Pitmaster" and made some of the best barbecue in Detroit.

His fun-loving and carefree personality always made others smile. Prince was his favorite artist and as one of his biggest fans he attended numerous concerts. It brought him great joy to volunteer at his children's school or sporting events while they were growing up. Eventually, he became a proud grandfather and enjoyed spending time with them. Anthony had one of the biggest hearts and his spirit will remain with his loved ones forever.

“ *News of Anthony's demise saddens me beyond measure. Anthony and I were good friends in elementary, middle and high school...I'd venture to say our friendship dates back to the 2nd or 3rd grade. Recently, curiosity got the best of me and I began to search for him, unfortunately my efforts weren't successful. I had no clue what he did with his life, but I knew it would be something positive, because that's just the kind of person he was. Please accept my heartfelt condolences...this is such a bitter pill to swallow.*

“ *To our forever family,
Words seem so feeble in moments like these.
Life is so precious, and death is such a thief.
The depths of your pain I cannot
comprehend, but I will stand alongside you in
your darkness, my family. Love is a bond that death cannot part.
Anthony may be gone from your arms, but is lives in your heart.
There is never enough time. There is only questions unanswered.
Please trust in God and know that he will be with you as you go
forward. We the days seem unbearable and the nights too long.
God will be there carrying you on. ~ Love Gail & Jockah*
