“ *My last conversation with Anthony was a few weeks ago. So, to read a text yesterday regarding funeral arrangements for Anthony was devastating. Anthony was a wonderful person with a giving heart. Whatever I needed assistance with, he was willing to help. He loved his family. He was a joy to be around, putting smiles on both faces and hearts. He will be truly missed. My deepest sympathy goes out to his family. My prayers are with each and every one of you!*
