“ *I don't have many memories of Anthony but the ones I remember so clear is his upbeat personality and smile may God be with you all in this time of need he's with you all everyday*

“ *I send my condolences to Anthony's family during this difficult time. It saddens me that this man was only a few months older than myself. All deaths are unnatural, regardless of age, race or gender. But God has a plan that will not only erase death, but will allow us to see our loved ones again. Please take comfort in these words.*

"If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning." (Job 14:14, 15)
