“ Tony, my brother

*It's hard to say good by. You have meant so much to me and I looked up to you over the years. You taught me a lot when I lived in Detroit, too. You were one of the good ones and I know your are heaven bound. That gives me a little comfort. I will miss you so much! I Love You, man!*

*Peace, Love and you know the rest. God bless the family feeling this loss. Thank you, Mary, for being there for my brother. May god bless and keep you. I know this is hard. Dry your eyes. Rejoice. God's got this.*

DeNard*

“ My brother, Tony:  
Though we were far apart, the love we shared as siblings was strong. I thank you for ALWAYS making sure I felt valued by lifting me up every special day in the year. Those calls on birthdays, Mother's Day, Christmas, New Years, etc... You never disappointed, even in sickness. I looked forward to hearing your cheerful voice every single time. Your appearance, demeanor, and style... just like a twin to daddy. He loved you so much. Give him (Felder aka Mr. Rico) and momma (Peggy) a hug for me. I wish you could be here to help us welcome my first grandson in a few weeks. I know you will be smiling and watching over us and your sweetheart, Mary. She has been a jewel. We love Mary for loving your and being the love of your life. Thank you, Mary, for being right by Tony's side until God called him home. There is no doubt that he knew you loved him. May Tony's memory and spirit brighten the days ahead for loved ones feeling his earthly absence. We will be thinking of you often and especially every Thanksgiving - your other birthday. (smile)

The time has come for us to let you go to be the Angel God called you to be. I love you always my brother.

Your sis,

Mia Littles Ward

Praying for and extending deepest sympathies to family and all of Tony's loved ones.

“ Tony,  
I'll never forget the dream I had as a little girl of meeting you for the first time before I ever laid eyes on you. I was blown away when I finally saw you. You are daddy's twin. I'm so glad I got a chance to tell you I love you before the angels took you to heaven. No more pain, no more suffering. You fought a good fight. Thank you for your service. I love and will miss you big brother #2. Forever in my heart.
